# INVITATION

*Exclusively for students, the GGS team and  
members of the Alumni Association*

29 JUNE 2019, 2.00 PM  
GGS

*Dear Students, Alumni and Friends,*

We are pleased to invite you to our Faculty Day on Saturday,  
29 June 2019.

Once again, this great annual event will bring together all students, faculty, alumni, staff, friends and sponsors of GGS to experience the special GGS family spirit.

We will start at 2.00 pm at GGS. In the afternoon, the GGS Alumni Association has organized a workshop and GGS presents a panel discussion on the challenges of digital transformation in management and law. We will then “move” to Stettenfels Castle to continue with our legendary party in the evening and into the night. It would be great to see you all on this special occasion. Please be aware that registration is required for both the sessions at GGS and the party.

Yours,
